

**§ 183.55 Limitations.**

(a) If any change occurs that may affect an ODA Unit's qualifications or ability to perform a function (such as a change in the location of facilities, resources, personnel or the organizational structure), no Unit member may perform that function until the Administrator is notified of the change, and the change is approved and appropriately documented as required by the procedures manual.

(b) No ODA Unit member may issue a certificate, authorization, or other approval until any findings reserved for the Administrator have been made.

(c) An ODA Holder is subject to any other limitations as specified by the Administrator.

**§ 183.57 Responsibilities of an ODA Holder.**

The ODA Holder must—

(a) Comply with the procedures contained in its approved procedures manual;

(b) Give ODA Unit members sufficient authority to perform the authorized functions;

(c) Ensure that no conflicting non-ODA Unit duties or other interference affects the performance of authorized functions by ODA Unit members.

(d) Cooperate with the Administrator in his performance of oversight of the ODA Holder and the ODA Unit.

(e) Notify the Administrator of any change that could affect the ODA Holder's ability to continue to meet the requirements of this part within 48 hours of the change occurring.

**§ 183.59 Inspection.**

The Administrator, at any time and for any reason, may inspect an ODA Holder's or applicant's facilities, products, components, parts, appliances, procedures, operations, and records associated with the authorized or requested functions.

**§ 183.61 Records and reports.**

(a) Each ODA Holder must ensure that the following records are maintained for the duration of the authorization:

(1) Any records generated and maintained while holding a previous delega-

tion under subpart J or M of part 21, or SFAR 36 of this chapter.

(2) For any approval or certificate issued by an ODA Unit member (except those airworthiness certificates and approvals not issued in support of type design approval projects):

(i) The application and data required to be submitted under this chapter to obtain the certificate or approval; and

(ii) The data and records documenting the ODA Unit member's approval or determination of compliance.

(3) A list of the products, components, parts, or appliances for which ODA Unit members have issued a certificate or approval.

(4) The names, responsibilities, qualifications and example signature of each member of the ODA Unit who performs an authorized function.

(5) A copy of each manual approved or accepted by the ODA Unit, including all historical changes.

(6) Training records for ODA Unit members and ODA administrators.

(7) Any other records specified in the ODA Holder's procedures manual.

(8) The procedures manual required under § 183.53 of this part, including all changes.

(b) Each ODA Holder must ensure that the following are maintained for five years:

(1) A record of each periodic audit and any corrective actions resulting from them; and

(2) A record of any reported service difficulties associated with approvals or certificates issued by an ODA Unit member.

(c) For airworthiness certificates and approvals not issued in support of a type design approval project, each ODA Holder must ensure the following are maintained for two years:

(1) The application and data required to be submitted under this chapter to obtain the certificate or approval; and

(2) The data and records documenting the ODA Unit member's approval or determination of compliance.

(d) For all records required by this section to be maintained, each ODA Holder must:

(1) Ensure that the records and data are available to the Administrator for inspection at any time;
